Sailor Saturn's Training

by [MiaQc](#)

Summary

Sailor Saturn trains to keep her powers at their peak, but under control.

- A translation of [L'entraînement de Sailor Saturn](#) by [MiaQc](#)

I leave the house without making any noise and go to a small mountain. I transform into Sailor Saturn.

"Let's begin. *Silence Glaive Surprise!*"

The energy is released from the Silence Glaive and goes to make a cut in the mountain. Stones fall in my direction.

"Silence Wall!"

The purple protection protects me from the stones, destroying them. There is only one attack left for me, the Sailor Guardian of Silence, Destruction and Rebirth, *Death Reborn Revolution*, but it's too risky to use. Thus I become Hotaru again. The training is now finished. I go back home.
